

REMARKS/ARGUMENTS

This Rule 312 Amendment is responsive to the objection to the drawings attached to the Notice of Allowability. Respectfully, no substantive drawings are necessary. The questioned element is constituted by the superimposed 90 as explained by the language added to paragraph 52 of the specification.

Entry of this Rule 312 Amendment which really explains the text without adding new matter is respectfully requested. This Amendment also issued caused the application to be deemed fully in compliance with all the requirements and this application should be promptly issued as a formal United States Letters Patent.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Mail Stop Issue Fee, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on February 1, 2007:
